

WORK 4A LIVING

A COMMUNITY CARE MINISTRY
OF CHRIST CHURCH PAARL

Are you an
employer in the
Paarl Valley or
surrounding area?

Do you sometime
despair at the attitude of
new employees?

WORK 4 A LIVING is a proven solution for preparing recruits for employment. Our programmes identify and challenge attitudes that say “I am a victim”, “Someone must fix my problems”, “I deserve a hand out” and produce people who are excellent at what they do, loyal, hard-working, committed, honest and good communicators.

**All of this is available
at no charge to the
employers.**

Our Centre in Paarl will give you access to the best WORK 4 A LIVING graduates – only individuals who successfully complete our rigorous twelve-day Job Readiness training and assessments are allowed to apply for the jobs you want us to fill. Many of our graduates have also completed our basic skills courses, such as cashier training, merchandising, office administration, computer skills, barista training and more. Hence you can have access to candidates who are ready to work from day one.

“I must commend you on their training and in general, their conduct during the recruitment process. What impressed me immensely was the discipline of the trainees and the respect and attentiveness they afforded us during the recruitment process. Their conduct throughout the days was phenomenal and was key to the success of the recruitment process. You can be extremely proud of your achievements in this regard.”

Risna Rossouw, Training Manager for Spar, East London
